

Venture Coworking

Experience a whole new level of benefits and services with UBC^{uk}'s shared workspace community.

To help you Venture further with your business, here's what we offer:

- Use of a desk and internet in our smart communal office with like-minded business people
- All the benefits of working from one of UBC's fully-serviced business centres
- Choice of day rates or simple, flexible monthly contracts
- Use of the building address and mail handling services
- Access to meeting rooms at discounted room rates
- A range of support services from reception
- Fantastic networking opportunities and free advice from qualified business advisors via live chat
- Free parking subject to availability (Not available at all locations)

Included for Venture Premium Clients only:

- Exclusive use of a designated office desk and lockable storage
- Dedicated landline number for your business
- Professional receptionists answering calls in your company name
