

**Attention Solopreneurs and Small Business Owners...**

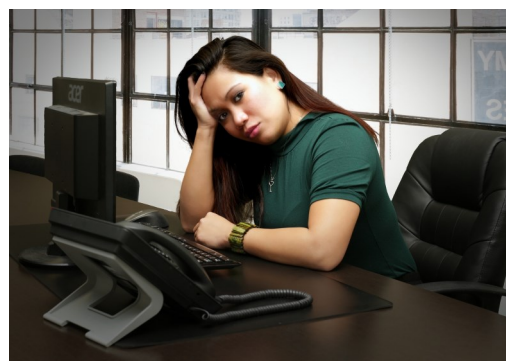

# “Announcing The Marketing Mastermind Dedicated To Generating Sales”

**Do You Struggle To Get Stuff Done To Promote Your Business?**

What if you could spend just **one day this month** working with, and guided by a true marketing master and published author? Someone who can not only tell you what to do, but also show you how to do it – **AND** stand over your shoulder whilst **YOU** actually do it?

Would that make a difference to your business?

And what if you came away with fresh marketing ideas and new marketing material you can use straightaway to drive your business to the next level?

**Would that be one day of your precious time well spent?**

That’s precisely the aim of the **Marketing Action Group** we’ll be launching on **Wednesday 25th September at UBC in Cirencester**. This is something I’m setting up to help a select group of small business owners really get to grips with modern marketing. And it has just one focus: To get your marketing working well, **BECAUSE WHEN YOUR MARKETING WORKS WELL, SALES BECOME EASY!**

Successful marketing is all about getting the **RIGHT MESSAGE** in front of the **RIGHT AUDIENCE** at the **RIGHT TIME** using the **RIGHT TOOLS** – and we’ll be spending **ONE FULL DAY** working on **exactly** that!

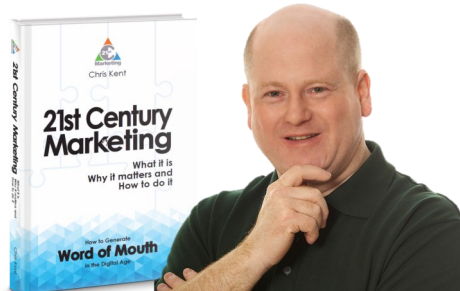

The purpose of this highly focused business development day is to give you the opportunity to focus 100% on creating marketing assets that will drive your business forward **without distractions**. **And** get instant help and critical feedback whilst you develop **YOUR** marketing masterpiece!

*“Put bluntly, this is your opportunity to get the critical stuff done you know you should get done, but rarely get around to doing - and then continually feel guilty about not doing it because it stays on your to-do list - FOREVER!”*

There are **ONLY 8 PLACES** available and your investment is **just £495** for the entire day (from 9am - 5pm including lunch and refreshments) – which, by the way, is a tax-deductible business expense so it actually costs you a fair bit less!
